Contents

No. 1 March 1980

Disease concordance and sex similarity in twins T. MARSHALL AND E. G. KNOX *page* 1

The Cardiff Cervical Cytology Study EDITORIAL COMMITTEE OF THE CARDIFF CERVICAL CYTOLOGY STUDY *page* 9

Cervical cancer in Finland and South Wales: implications of end results data on the natural history MATTI HAKAMA AND ROBERT WEST *page* 14

Acceptors and rejectors of an invitation to undergo breast screening compared with those who referred themselves PATRICIA HOBBS, ALWYN SMITH, W. DAVID GEORGE, AND R. A. SELLWOOD *page* 19

A prospective study of the development of coronary heart disease in a group of 1202 middle-aged men MARY GREIG, JOHN PEMBERTON, IRIS HAY, AND GILBERT MACKENZIE *page* 23

A randomised controlled trial of the effect of the provision of free school milk on the growth of children IAN A. BAKER, PETER C. ELWOOD, JANIE HIGHES, MARION JONES, FRED MOORE, AND PETER M. SWEETNAM *page* 31

Cot deaths in Edinburgh: infant feeding and socioeconomic factors: J. K. MASON, R. A. HARKNESS, R. A. ELTON, AND SHEILA BARTHOLOMEW *page* 35

The decline in incidence of acute intussusception in childhood in north-east Scotland J. E. POLLET AND G. HEMS *page* 42

Hypertension in a population sample of female Punjabi Indians in Southall JULIAN E. KEIL, MARTIN C. WEINRICH, BARBARA W. KEIL, REGINALD P. BRITT, ANN YVONNE HOLLIS *page* 45

Four-year mortality by some socioeconomic indicators: the Oslo study I. HOLME, A. HELGELAND, I. HJERMANN, P. LEREN, AND P. G. LUND-LARSEN *page* 48

Specificity and sensitivity of blood pressure measurements H. T. WAALER *page* 53

Growth profile of preschool children in an Indian rural community B. L. VERMA, ARUN KUMAR, AND R. N. SRIVASTAVA *page* 59

Treatment of elderly adults with impaired hearing: resources, outcome, and efficiency P. R. WARD *page* 65

No. 2 June 1980

Community medicine: future imperfect? J. STUART HORNER *page* 69

Effects of the health service and environmental factors on infant mortality: the case of Sri Lanka MAHESH PATEL *page* 76

Nutritional status of Laotian refugee children in Ubon camp, Thailand GERALDINE O'SULLIVAN, SHAH EBRAHIM, JOHN O'SULLIVAN, AND CLAIRE TAFTS *page* 83

The study of mortality variations in small administrative areas of England and Wales, with special reference to cancer JOAN M. DAVIES AND CLAIR CHILVERS *page* 87

Family size and paternal unemployment in relation to myocardial infarction M. L. BURR AND P. M. SWEETNAM *page* 93

The elderly in residential care: mortality in relation to functional capacity L. J. DONALDSON, D. G. CLAYTON, AND MICHAEL CLARK *page* 96

The behavioural characteristics of local authority home residents referred to a geriatric psychiatry service G. MASTERTON, E. M. HOLLOWAY, AND G. C. TIMBURY *page* 102

Behavioural disabilities in psychogeriatric patients and residents of old people's homes C. J. GILLEARD, A. H. PATTIE, AND G. DEARMAN *page* 106

Prevalence and characteristics of disabled children: findings from the 1974 General Household Survey JANE WEALE AND JONATHAN BRADSHAW *page* 111

Drug prescribing by GPs in Wales and in England DEE A. JONES, P. M. SWEETNAM, AND P. C. ELWOOD *page* 119

A prospective study of influenza infections during pregnancy P. D. GRIFFITHS, C. J. RONALDS, AND R. B. HEATH *page* 124

Social class, epileptic activity, and disadvantage at work GRAHAM SCAMBLER AND ANTHONY HOPKINS *page* 129

The relationship between mortality and two indicators of morbidity MARY E. BRENNAN AND PHILIP H. CLARE *page* 134

Obesity in relation to socioeconomic status. A population study of women in Goteborg, Sweden HENRY NOPPA AND CALLE BENGTSSON *page* 139

The plight of female infants in India T. KHOSLA *page* 143

Exact significance levels for Hewitt's test for seasonality S. D. WALTER *page* 147

Summary of papers presented at the meeting of the Society for Social Medicine in Bristol, September 1979 *page* 150

The annual distribution of daily mortality in hospitals and Poisson goodness of fit: a rejoinder J. P. ZWEIG AND J. Z. CSANK *page* 155

Letter: Ischaemic heart disease in smokers JANINE BELL *page* 156

Correction *page* 156

No. 3 September 1980

Antenatal care and maternal demographic and social characteristics. Evolution in France between 1972 and 1976 BÉATRICE BLONDEL, MONIQUE KAMINSKI, AND GÉRARD BREART *page* 157

Effect of breast-feeding on plasma cholesterol and weight in young adults M. G. MARMOT, C. M. PAGE, ELIZABETH ATKINS, AND J. W. B. DOUGLAS *page* 164

The mode of inheritance of blood pressure levels R. RONA AND S. A. A. BERESFORD *page* 168

Sodium and potassium excretion in a sample of normotensive and hypertensive persons in eastern Finland JAAKKO TUOMILEHTO, HEIKKI KARPPANEN, ANTTI TANSKANEN, JORMA TIKKANEN, AND JUHANI VUORI *page* 174

Increased blood pressure in schoolchildren related to high sodium levels in drinking water A. HOFMAN, H. A. VALKENBURG, AND G. J. VAANDRAGER *page* 179

Cancer mortality in male hairdressers MICHAEL ALDERSON *page* 182

Neural tube malformations and trace elements in water A. S. ST. LEGER, P. C. ELWOOD, AND M. S. MORTON *page* 186

Migraine and non-migrainous headaches. A community survey in Jerusalem J. H. ABRAMSON, C. HOPP, AND L. M. EPSTEIN *page* 188
